Dear Rick:

Enclosed you will find copies of the written communications between our department and Reid Supply concerning their request for a waiver on N.F.P.A. 30. As it stands now, all of the material has been submitted to our Fire Chief, Jim Sparr, for final action. As soon as a decision is made in this matter I will send you a copy for your records.

I believe that the waiver will be issued due to the lack of development in the area around Reid Supply. We have made it very clear to Reid that any waiver would be conditional in nature and will hinge on future development in the area.

Please let me know if you will need any additional information.

Sincerely,

Captain Larry Mullikin
